

Head's Report - What's new in school this week?

synergy

Friday 13th September 2019

- **Red Class** started in school this week and they have been an absolute delight and settled really well.
- **Volunteers** - We are very grateful to the volunteers who supported us last year. If you feel that you have some spare time on your hands and would like to support us in school in some way, then please come and talk to Ms Darroch. We have an application process and induction available. We especially need help with 1:1 reading support.
- **Health & Safety** - We have noticed that the pathway on the school drive is in need of repair. The work on this will be done shortly, however in the meantime please take care on the uneven surface.
- **Library Books** - Message from our Library monitors: Could you please check to see if you have returned library books from last year, as children will not be allowed new books without returning their old ones. Thank you!
- **Children's Hair** - Dyed or bleached hair is not appropriate for primary age children and we would ask that you refrain from doing this. It definitely won't be accepted at high school. Could we also ask that children with long hair have it tied back to help prevent the spread of any head lice. Thank you.
- **Flu Immunisation** - We have been given the date of 1st November for this to happen in school. However this year the Norfolk School Age Immunisation Service have decided to go paperless, therefore please check your e-mails and texts to ensure that your child is signed up.
- **ALDI stickers** - For every £30 that is spent in store Aldi will provide you with a sticker of a sportsperson. We would like these in school! Please try and get everyone you know that shops at Aldi on board with this. Thank you in anticipation of your support and to those families who have already sent some into school.
- **Jam Jars and Fruit** - we are already getting sorted for our next fair and would appreciate any glass jam jars with lids. We would also appreciate any baking apples that you may have spare.
- **Reminder of dates:** Tuesday 17th - Year 4 meeting after school about the new Maths Screening this year by the Dfe for all Year 4 children in the country. Wednesday 18th - Year 2 Reading Café. Friday 20th - Year R parents in first thing for LWICD (Look what I can do).

Keeping you informed and up-to-date with the latest happenings. Regards, Mr Chapman
