

## Calling all budding designers!

In celebration of Her Majesty the Queen's Platinum Jubilee, we will be creating a Jubilee Garden at Mattishall Primary School. We would like to invite our students to design a plaque that celebrates the Queen's love of flowers and gardening, with the winning design becoming part of the new garden.

The competition is **FREE** to enter and is open to all year groups.

Entries must be **A4 in size** and must be submitted by **Friday 20th May**. Please ensure the child's name and class is written on the back of the entry.

Should you have any queries please call Mrs Burrell on 01362 858451 or email [office@mattishallprimary.org.uk](mailto:office@mattishallprimary.org.uk).
