Single Equalities Policy

The policy outlines the commitment of the staff and Governors to promote equality. This involves tackling the barriers which could lead to unequal outcomes, so that there is equality of access and the diversity within in our school community, which is celebrated and valued.

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth. At Mattishall Primary, equality is a key principle for treating all people the same irrespective of their gender, ethnicity, disability, religious beliefs/faith tradition, sexual orientation, age or any other of the protected characteristics (Single Equalities Act 2010).

This policy has been written in line with Synergy Multi-Academy Trust' Equality and Diversity Policy

- There will be opportunities in the curriculum to explore concepts and issues related to identity and equality;
- The promotion of attitudes and values that celebrate and respect diversity and challenge discriminatory behaviour and language wherever it occurs;
- The use of images and materials which positively reflect a range of cultures, identities and lifestyles.

Promoting Equality: Achievement

There is a consistently high expectation of all pupils regardless of age, gender, ethnicity, ability, social background and sexual orientation. To secure the best possible outcomes we recognise that:

- Adults in the school will be expected to provide good, positive role models in their approach to all issues relating to equality of opportunity;
- It is important to identify the particular needs of individuals and groups within the school and to use targeted interventions to narrow gaps in achievement;
- A range of teaching methods is used throughout the school to ensure that effective learning takes place at all stages for all pupils.
- All pupils are actively encouraged to engage fully in their own learning.

- Provision is made to cater for the cultural, moral and spiritual needs of all children through planning of Assemblies/Thinking Times, classroom based and off-site activities;
- Pupils' views are actively encouraged and respected. Pupils are given an effective voice for example, through advocacy, the School Council, pupil perception surveys and there are regular opportunities to engage with pupils about their learning and the life of the school;

- Positive role models are used throughout the school to ensure that different groups of pupils feel welcomed and included.
